

Fresno FSDO presents:

FAASTeam Flight Instructor Open Forum: The Instrument Competency Check

FAASafety Team Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASafety Team) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. Tonight's presentation will be made by Harold Ulysses Caiati who is a CFII. Harold will share a very informative presentation as well as his insights on the subject and will answer questions. This seminar is primarily directed at CFIs but ALL pilots are welcome and are especially encouraged to attend.

Directions: The terminal building is at the entrance to Fresno Chandler Airport just off Kearney Blvd. Ample parking is available in the front and sides of the building and aircraft may be parked directly ramp-side of the terminal building as well. Parking for both cars and aircraft is always free.
